

CUSTOM Molded Melamine Tabletops 2019

3 simple steps to request your rendering!

Step 1: Submit an approved MARF to Marketing (spawloski@grosfillex.com)

- Specify: # of pieces, tabletop size, tabletop décor, placement of logo, i.e., centered xx # of inches from edge
- Include the logo image, minimum 300 dpi

Step 2: Marketing requests rendering from designer

- Allow 7 business days to receive the rendering back from marketing, who will return it to you.

Step 3: You send rendering to customer for approval

If Sample Tabletop is desired:

- Please allow 3 to 4 weeks for receipt of tabletop sample once complete artwork and tabletop layout is received by Grosfillex.
- Prepaid non-refundable \$500 development fee per sample and per tabletop size for unsecured orders. Development fee credited against the cost of the subsequent confirmed orders.

Important details to consider when designing your signature set

Minimum Order requirement of 20 tabletops in one size. Grosfillex will evaluate the feasibility of the artwork reproduction, colors, and placement of the proposed image before developing any sample top or accepting any order.

- Written release of copyrighted and/or licensed materials signed by an authorized officer of copyrights or license holder must accompany all orders.
- Digital files of artwork on CD in any Windows based format: jpeg, tiff, etc., including exact placement of image(s) on tabletop. 300 dpi minimum - no MacIntosh files.
- Please allow 8 weeks for production orders from date of sample approval.
- Add 2 to 4 additional weeks for non-US made tabletops (48" x 32").
- Optional umbrella hole ring and plug (please specify a standard Grosfillex color).
